The battle between the Darkness and the Light has
waged eternal
Their armies fueled by souls harvested on Earth
The Lord of Darkness, Malebolgia, has sent a
lieutenant to recruit men
who will help destroy the world in exchange for wealth
and power
And provide enough souls to complete his army and
allow Armageddon to begin

I'm gonna cut you into 50 pieces and mail you to every
state
I'm gonna take your intestines and...
I don't know how you put up with this crap
You're a bigger fool than I thought if you think you're
gonna wreck my plans
I'm gonna nail that asshole

So you wanna do it the hard way?
I warned you
I'm just gonna have to teach you a lesson
No more clownin' around
I'm not the Vindicator or the Victimizer or the Vaporizer
or the Vibrator!
I'm... The Violator!

Hahaha
You've been violated, girly-man, huh?

What, you're not excited yet?
Helter-skelter's coming down, with or without you
So you wanna do it the hard way?
I warned you
I'm just gonna have to teach you a lesson
No more clownin' around
I'm not the Vindicator or the Victimizer or the Vaporizer
or the Vibrator!
I'm... The violator!

Violator, one
Spawnie-boy, zero
