Make no mistake  
Dig this earthquake  
I'm coming clean in this pigpen

It's a mad dysfunction  
Be my baby lotion  
Read magazines with your girlfriends

I know what it's like to be outgrown  
By lips that taste like flavor pure emulsion  
I know that I'm a throwback

Fine pedigrees  
Driving SUVs  
Only to fall in love with their hobbies

It's a mad dysfunction  
Be my baby lotion

Read magazines with your girlfriends

I know what it's like to be outgrown  
By lips that taste like flavor pure emulsion  
I know that I'm a throwback

Tug of war  
At the Wailing Wall  
Roman holiday  
Get on your knees and stay there  
Get on you knees and stay

I know what it's like to be outgrown  
By lips that taste like flavor pure emulsion  
I know that I'm a throwback
