Iâ€™m a great turtle, Alice. Iâ€™m laissez-faire  
Beneath my terrapace is a palatial layer

I donâ€™t want to see inside of you  
But Iâ€™ll stick my head into a bottle  
Got nothing on me Mister Magoo  
I could never see for a good goddamn  
Iâ€™m a great turtle

Some kinds of love comes from an ailing mind  
Other kinds of love should be left behind

I donâ€™t want to see inside of you

But Iâ€™ll stick my head into a bottle  
Got nothing on me Mister Magoo  
I could never see for a good goddamn  
Iâ€™m a great turtle

If nothing ever comes out as planned  
Then Iâ€™m never coming out again

I donâ€™t want to see inside of you  
But Iâ€™ll stick my head into a bottle  
Got nothing on me Mister Magoo  
I could never see for a good goddamn  
Iâ€™m a great turtle
