Gadfly take no stock  
in all the parrot talk  
Egghead nuts in a shell  
Travertine dell

Here's a souvenir  
Thanks for being here  
Go to bed with yourself  
Travertine dell

Aren't you having a good time?  
Aren't you full of your own wine?  
I've been losing frustration  
With this new information  
All around the world

Quiet spires curl  
How they sleep just as well  
Outside  
Travertine dell

[Solo]

Aren't you having a good time?  
Aren't you full of your own wine?  
I've been losing frustration  
With this new information  
All around the world  
Quiet spires curl  
Oh they sleep just as well  
Outside  
Travertine dell
