Hey, I don't runaway,
No matter what you say,
Tonight just give me a chance.

I don't wanna know,
I wanna let you know,
I need you
Baby come on.

Hey, I don't runaway,
No matter what you say,
Tonight just give me a chance.

I don't wanna know,
I wanna let you know,
I need you
Baby come on

Go!

I don't wanna be [Don't wanna be]
Your indentified lover.
I don't wanna see [Don't wanna see]
You belong to another.
Just like a dream [Just like a dream]
We never gonna break up, break up.
You can set me free [Can set me free]
I don't wanna forget, forget.

Hey, I don't runaway,
No matter what you say,
Tonight just give me a chance.

I don't wanna know,
I wanna let you know,
I need you
Baby come on. /x2

Hey, I'm telling you again,

I don't runaway,
Oh, baby give me a chance.
I don't wanna know,
I wanna let you know,
I need you
Baby come on. /x2

Go!

Hey, I don't runaway,
No matter what you say,
Tonight just give me a chance.
I don't wanna know,
I wanna let you know,
I need you
Baby come on. /x2
