I would like to dance with you at the party tonight.
Will you give me one more chance to prove you that I'm
right?

I will show you how to move if you wanna be free,
How to be devoted to your emotions, you'll see.

You're so beautiful but I may seem such a fool,
Doing silly things I want you to think that I'm cool.
I just want to attract you and make you desire
To come closer to me and fall into my fire.

Every time I look in your charming eyes
I can only say: "What a paradise!"
Taking my huge wings with excitement I'm
Gonna leave the ground and fly so high.

Hiding from you is like playing games with my heart,
Our worlds are so different and live apart.
But I can't get you out of my head, it is higher.
All these feelings and thoughts make me only admire.

I'm afraid to tell you how much you mean to me, why
I may look so stupid when I hear your voice say:
"Hi".

I don't know whether one day you will learn what I
feel,
It is hard to open my secret like break steel.

Every time I look in your charming eyes
I can only say: "What a paradise!"
Taking my huge wings with excitement I'm
Gonna leave the ground and fly so high.

Every time I look in your charming eyes
I can only say: "What a paradise!"
Taking my huge wings with excitement I'm
Gonna leave the ground and fly so high.

Every time I look.....
I can only say.....
I just take my wings...

And fly so high, so high...

I would like to dance with you at the party tonight
Will you give me one more chance to prove you that I'm
right?

I will show you how to move if you wanna be free,
How to be devoted to your emotions, you'll see.

I'm afraid to tell you how much you mean to me, why
I may look so stupid when I hear your voice say:
"Hi".

I don't know whether one day you will learn what I feel,
It is hard to open my secret like break steel,
like break steel, like break steel.
