You were used to be a powerful guy,  
You were strong, you won any kind of a fight.  
Everything in your life was under control,  
Tender feelings even never played any role.

The best friends for you were money and cars,  
Your brothers were success and bars.  
Love for you was fun, you laughed at those men  
Who admired girls, because of them even got mad.

But one day you saw my smile,  
You were gazing for a while.  
Since that day you've got to feel  
I'm the only one to heal.

Love can explain why people can change,  
It can attend you in any age.  
If he's in love, don't try to ask him to forget her.

Love can awaken wonderful features,  
It makes you better and one of the richest  
Because your soul is full beauty, gold and light.

Now when competitors win, you don't care about it.  
If your business fails, you only feel heat  
That doesn't let you sleep pretty well.  
You lose control, your life without me is worse than a hell.

And I know deep in your mind  
You are generous and kind.

You can bring support and peace.  
Your inspiration is my kiss.

Love can explain why people can change,  
It can attend you in any age.  
If he's in love, don't try to ask him to forget her.  
Love can awaken wonderful features,  
It makes you better and one of the richest  
Because your soul is full beauty, gold and light, yeah.

Love can explain why people can change,  
It can attend you in any age.  
If he's in love, don't try to ask him to forget her.  
Love can awaken wonderful features,  
It makes you better and one of the richest  
Because your soul is full beauty, gold and light, yeah.

This time a girl is not a toy or a game for you.  
Please, try to understand what I mean to you.  
This time you don't notice a material world,  
You cry, for you much more important is my word.

This time you greet people with a pure smile,  
Just try to see the difference between darkness and  
light.  
This time your eyes are full of kindness and true love,  
That's why high in the sky you see a flying dove.

This time a girl is not a toy or a game for you.  
Please, try to understand what I mean to you.  
This time your eyes are full of kindness and true love,  
That's why high in the sky you see a flying dove.
