"Magical Sound"

Music has the key that opens
The magical door to the scene you adore.
Butterflies or rain or people,
Memories or the future for sure.

Close your eyes and feel the ocean
Of music around, this magical sound.
Everything is real but strange though,
Happy to be where you are free.

Feel this magical sound,
Feel this magical sound.

Music has the key that opens
Any heart and it shows you the land
Of calmness, joy, romance, excitement,

Pain or caress, fail or success.

Music has enormous power
That makes you feel and always can heal,
Waterfalls of sound surround you,
Colours are bright, inspired with light.

Feel this magical sound,
Feel this magical sound.

Music saves me all the time
When I feel so sad or upside down,
It feels my life with sense and it's true:
I love you, music!

Feel this magical sound,
Feel this magical sound.
