Pretty face, I'm looking for you now and then,
Pretty face, I don't care about what all they say.
Pretty face, where are you? I miss your heart and smile.
Pretty face, Oh, my pretty face...

Pretty face, how exhausting to be here without
You, it's odd. I'm trying to find you but get lost in a
crowd.
Many men got a crush on me and try to be liked.
But I dream of only you, my Pretty face, all night.

How lucky you are to be with him now.
How pretty you are when shine and smile.
How graceful you are, like a princess from a fairy-tale.
Yes, you are.

Pretty face, these illusions drive me crazy, I
Feel so happy 'cause I have the dream of you, that's
why
I still live, 'cause love is life resource, my sun and star.
I can't fall asleep, I always wonder where you are.

Pretty face, may be you are here or may be far.
We may meet while walking or while traveling in a car.
I don't know when it will happen but I'm sure you exist.
And you have the feeling to me deeply in your breast.

How lucky you are to be with him now.
How pretty you are when shine and smile.
How graceful you are like, a princess from a fairy-tale.
Yes, you are.

Time will come, I believe,
When I will call your name freely.
And I will recognize it,
When I see your face clearly.
And I know I will find
The palace I've been looking for
And the prince whom I adore.

How lucky you are to be with him now.

How pretty you are when shine and smile.
How graceful you are, like a princess from a fairy-tale.
Yes, you are.

Pretty face, where are you?
My Pretty face, where are you?
My Pretty face, where are you?
My Pretty face, my Pretty face.. my Pretty face.
