I believe in wonders
in my life.

I believe in wonders
in my life.

I believe in wonders
in my life.

I believe in wonders.

When a person meets somebody and they fall in love,
When you have a real friend, when you are involved
In a wonderful adventure, when you have a dream,
You are happy, you are lucky, you are going to win.

I'm so grateful to the people who are so unique,
Whom I've never met and whom I can see every week.
Some of them are famous figures, some of them are
not.
But they all are special to me, they are my world.

'cause I believe in wonders
in my life.

I believe in wonders
in my life.

I believe in wonders
in my life.

I believe in wonders.

When I look at all what's happened and what I expect,
I can always find some magic which is really spread
Through my past and my future, even through desires,
Everything I have attracted into my life.

'cause I believe in wonders
in my life.

I believe in wonders
in my life.

I believe in wonders
in my life.

I believe in wonders.

I'm thankful for everything in my life,
For all my trips and adventures.
I believe the greatest adventures are still waiting for
me.

I'm thankful for the people, signs and events
That bring me closer to the place
I love and where I wanna be; these are wonders.

'cause I believe in wonders, honesty, support, love,
relationship,
I believe in kindness, happiness, sincerity and
friendship,
I believe in magic, trust, hope and reliability.
I believe in wonders, yes I believe in wonders.

I believe in wonders
in my life.

I believe in wonders
in my life.

I believe in wonders
in my life.

I believe in wonders, yeah-yeah..
'cause I believe...
