

50 Cent Tribute Band "U Not Like Me"

Visit "[U Not Like Me](#)" on MotoLyrics.com

NYPD, LAPD, NYPD
(When it's on, that's who you get, huh?)
NYPD, LAPD, NYPD
(That's your motherfuckin' click, huh?)

NYPD, LAPD, NYPD
(You a motherfuckin' snitch, huh?)
NYPD, LAPD, NYPD

Niggaz wanna shine like me, rhyme like me
Then walk around with a 9 like me
They don't wanna do it, 3 to 9 like me
And they ain't strong enough to take 9 like me

Aiyoo, you think about shittin' on 50, save it
My songs belong in the Bible with King David
I teach niggaz sign language, that ain't def son
You heard that? That mean run

Ask around, I ain't the one you wanna stun on, pa
Pull through, I'll throw a fuckin' cocktail at ya' car
From the last shootout, I got a dimple on my face
It's nothin', I could go after Mase's fanbase

Shell hit my jaw, I ain't wait for doctor to get it out
Hit my wisdom tooth, spit it out
I don't smile a lot, 'cause ain't nothin' pretty
Got a purple heart for war and I ain't never left the city

Ho's be like "Fitty, you so witty"
On the dick like they heard I ghostwrite for P.Diddy
You got fat while we starve, it's my turn
I done felt how the shells burn, I still won't learn, won't learn

If you get shot and run to the cops, u not like me
You ain't got no work on the block, u not like me
It's hot and you ain't got no drop, u not like me
Like me, duke, u not like me

If you get shot and run to the cops, u not like me
You ain't got no work on the block, u not like me

It's hot and you ain't got no drop, u not like me
Like me, duke, u not like me

Moma said, everything that happened to us, was part
of God's plan
So at night when I talk him, I got my gun in my hand
Don't think I'm crazy, 'cause I don't fear man
'Cause I feel when I kill a man, God won't understand

I got a head full of evil thoughts, am I Satan?
I been coulda killed these niggaz, I'm still waitin'
In the telly with to whores, a Benz with to doors
32 carrots in the traws, no flaws

You see me in the hood, I got at least two guns
I carry the glock, Tony carry my M-1s
Hold me down nigga, OG's tryin' to rock me
D's waitin' for my response to lock me

This is my hustle, nigga, don't knock me
You need some shit with banana clips to try and stop
me
I'm the one

If you get shot and run to the cops, u not like me
You ain't got no work on the block, u not like me
It's hot and you ain't got no drop, u not like me
Like me, duke, u not like me

If you get shot and run to the cops, u not like me
You ain't got no work on the block, u not like me
It's hot and you ain't got no drop, u not like me
Like me, duke, u not like me

See, I done been to the Pearly Gates, they sent me
back
The good die young, I ain't eligible for that
I shot niggaz, I been shot, sold crack in the street
My attitude is gangsta, so I stand some beef

You wanna get acquainted with me, you wanna know
me?
From 3 point range with a glock, I shoot better then
Kobe
See a nigga standin' next to me, he probably my Co-D
See a bitch gettin' in my whip, she probably gon' blow
me

See the flow is like a 38, it's special yo
A country boy tell ya, I'm fittin' to blow
I'm more like a pimp, then a trick, you know

See, I'm in this for the paper, I don't love the hoes

Niggaz broke in the hood, worried about mines
Grown ass men, wearin' starter piece shines
You know them little pieces, with the little stones
Got little client's le fiends call your cell phones

When the gossip starts, I'm always the topic
You too old for that shit, dog, why don't you stop it?
Shorty, I been watchin' you watchin' me
Now tell me what you like more, my watch or me

If you get shot and run to the cops, u not like me
You ain't got no work on the block, u not like me
It's hot and you ain't got no drop, u not like me
Like me, duke, u not like me

If you get shot and run to the cops, u not like me
You ain't got no work on the block, u not like me
It's hot and you ain't got no drop, u not like me
Like me, duke, u not like me

What you say, u not like me?
Tell 'em, 50, u not like me
U not like me
