I don't see you much these days,
But I hear you're doin' fine.
I remember the tears down your face
When you told me goodbye.

Baby girl, that's alright
Cause I got good company and my trouble's outside
And I'm...

Sittin' here with all of my friends
Drinkin' beer like the night won't end
Red wine in a Dixie cup
All night 'til the sun comes up
I think I've made up my mind
I don't need you in my life
I'm doin' just fine

You think you got it figured out,
You got me on lock down,
I tell you girl, I moved on.
And now you're tryin' to,
You can't understand why you left me.
Ooh, you're comin' back around.

I should've known you'd me wrong.
I got a lot to make up for the time that I was gone.
So I'm...

Sittin' here with all of my friends
Drinkin' beer like the night won't end
Red wine in a Dixie cup
All night 'til the sun comes up
I think I've made up my mind (yes I did)
I don't need you in my life
I'm doin' just fine

Pretty girls on the inside
Dancing in the kitchen with a bottle of wine
Sittin' here with a beer in my hand, couple of boys
And they do keg stands
Blonde-haired girl lookin' my way

Grab me by the hand, take her up the staircase
Don't know her name, she don't know mine
Hell I don't even know her, she's so fine

Sittin' here with all of my friends
Drinkin' beer like the night won't end
Red wine in a Dixie cup
All night 'til the sun comes up
I think I've made up my mind
I don't need you in my life, oh
Yes I've made up my mind
I'm doin' just fine
