So forgive me
Sometimes I don't think before I speak
Forgive me
I'm tired it's been weeks since I had sleep
Forgive me
My hearts frozen it don't even beat
But the truth is
I don't give a fuck if you forgive me X 2

Verse 2

Born an raised in Tottenham
Now I live in P Green/
It use to be safe until them locals met me/
My granddaddy known around the town to pop the
steel/
But I ain't no gangsta
Cuzzie I'm just real/
I ain't got time to be clocking on that 45/
But if it's about money then you know I'm down to ride/
Cause cuzzie I can get it/
Cuzzie i can flip it/
Kick it/
Spit it/
Twist it/
Just tell me how you wanna get it/
