Visit "[For The Weak](#)" on MotoLyrics.com

Taught to believe you cant help yourself,
too much faith, too little strength,
problems confront every single day,
you cant take it, you cant take it,

your weakness shows through and through,
when this world crushes down on you,
fall to your knees your fucking weak,

prove there's nothing inside you.

FALL TO YOUR KNEES!!!

fall to your knees,
your weakness shows through and through,
when this world crushes down on you,
fall to your knees your fucking weak,
prove there's nothing inside you
