This feeling is coming on strong
weve lost control, now it wont be long,
make or break, wills cave in
too many wrong turns now theres no way back,

now im thinking is it just me, looking back looking back,
back at the things, i cant change,
theres no way back!
weve never been,
as alone as this,
feeling lost inside,
and never missed,
it seems to be
that weve lost our way,
now were paying the pirce
FOR YESTERDAY!

were all living,
with past mistakes!
