Life aint fair, play your hand, just roll the dice, and take
a shot.

Nothing to loose, everything to gain, lose it all, end up
the same.

Play the part, of the pawn, safe and sound, your
loosing it all.

Life aint fair, play your hand, nothing to loose,
everything to gain.

Play the part, of the pawn, bite your tongue, they'll tell
you what to say,

The facts remain, in the end of the day.
The facts remain, in the end of the day.

FACE IT!

Theres nothing worse
Face it.
Theres nothing worse.
Face it
