..ain't fruit fresh food some vegetables  
Craft brewed bruise and general  
Doing ..my music is ..who value mill chick is true  
That's for .. get to know me not in the ..  
My story is metaphysical ..laboratory getting it off  
You in the laboratory getting it on  
Wash for .. i got a mean right your hand  
I seem like the man i stop giving the shit  
I'm give a real slight damn  
And be .. right in ..two left feet  
And kid i make a mean checkless  
We already rich and I'm dyslexics  
I'm living out my dreams and that should be expensive  
My show off the chain stop on the necklace  
for real dough using frame on my restless  
when it's dew get creditly .. i wanna pay up  
i like the pick .. sending mix messages party my  
forgetfulness  
i forget that is not effortless for every kid and faster  
that in  
you could feel the effort when i wanna set  
plus at all i don't wanna mindness  
busy as my blanket you know lines  
don't mindness ..right  
brown tag in the .. i'm in the zone right  
now i blast do it like a style i crack brew it

it's craft brewed you wanna sit that ..  
so which craft brewed you wanna sit back  
i treat gold's and dreams like dope on me  
i got my golden clean yeah thanks for noticing  
the whole world seems to don't' give a damn if you  
headline ..  
my .. is all inspiring they were closed and bored they  
frighten me  
my paperback take it how you will read a book a whole  
year but still  
i plan the ..everything is digital now we're not .. for that  
is single .. in here no more after news we're acting at  
fear  
..passing is severe ..is sassing see the ears

But i hear ..real stood life i like my shoulders how i like  
my ..  
You knew to my music let me introduce silent night  
Jay for ..  
No excuses that's unacceptable plans i set a few in ..  
Don't let the book life how i do it you .. i craft brew it
