"Good Man"

I want to be a Good Man
I want to see God
I want to be faithful
But I know that I'm not

I want to be a Good Man
I want to do right
I don't want to be a criminal
For the rest of my life
Everything that I've done before
Has brought me back down on my knees
And I'm crying out to you lord
It's getting harder and harder to see
If there's any good left in me

Is there any good left in me
I want to be a Good Man
Is there any good left in me

I want to be a Good Man
I want to be saved
I want to be a free man
But I feel like a slave
And I'm crying out to you lord
It's getting harder and harder to see
If there's good left in me

Is there any good left in me
I want to be a Good Man
Is there any good left
I want to be a Good Man

Pull me from the darkness, lift me back into the light
Fill this empty vessel, Fill this hole I have inside
Am I worth forgiveness, I can't make myself believe
Show me that you're listening
And tear this devil out of me

Yea, I want to be a Good Man
Is there any good left in me
