All Eyes On Me by Jameerah  
it's irresistible  
if I go out in a crowd  
I crank it up baby loud  
it's something powerful (uh, yeah)  
oblivious to control it doesn't do what it's told

But I wouldn't stop it even if I could  
anytime it takes a hold  
I feel so good  
and admit it come on if you could you would  
(tonight, tonight, tonight)

All eyes on me  
(I'm putting on a show)  
All eyes on me  
(I need it don't you know)  
All eyes on me  
pay attention to, pay attention to  
pay attention to me  
All eyes on me(All eyes, All eyes)  
All eyes on me(All eyes on me)

It isn't like a drug( ch-ah)  
you get a glance or a look  
it's over for you your hooked  
you chase it down in clubs(yeah)  
until you get what you want  
you gotta' stay on the hunt(yeahh)

But I wouldn't stop it even if I could  
anytime it takes a hold  
I feel so good  
and admit it come on if you could you would  
(tonight, tonight, tonight)

All eyes on me  
(I'm putting on a show)  
All eyes on me  
(I need it don't you know)  
All eyes on me

pay attention to, pay attention to  
pay attention to me  
All eyes on me(All eyes, All eyes)  
All eyes on me(All eyes on me)

No matter if it's right  
no matter if it's wrong  
I'm telling you tonight, tonight, tonight  
(tonight!)

All eyes on me  
(I'm putting on a show)  
All eyes on me  
(I need it don't you know)  
All eyes on me  
pay attention to, pay attention to  
pay attention to me  
All eyes on me(All eyes, All eyes)  
All eyes on me(All eyes on me)
