Sometimes I can hear you calling
Telling me that I'm a fool

Well I can dream,
I can dream
That we'll see a brighter day,
I can see in your eyes that we're through

And I'm alive,
More alive than I've ever been your way (x2)

Well I can dream,
I can dream
That we'll see a brighter day,
I can see in your eyes that we're through

And I'm alive,
More alive than I've ever been your way (x4)

Well I can dream,
I can dream
That we'll see a brighter day,
I can see in your eyes that we're through

Sometimes I can hear you calling
Telling me that I'm a fool
[male] :
And when I see you in the morning
Will you still want to be true?

I can dream ([female] Oh I can dream)
I can dream ([female] Oo oo oo)
That we'll see a brighter day ([female] That we'll see a
brighter day)

And I'm alive,
More alive than I've ever been your way (x4)

Well I can dream,
I can dream
That we'll see a brighter day,

I can see in your eyes that we're through.
