I see your sky is coming down
with the same color as mine
Oh, it seems to me
you and I are not safe to combine

And though one day you'll be a drop in the ocean
right now you're a storm
that leaves nothing behind
but me left alone

Oh oh oh oh

(Fire) Fire fire meet me at the gates of laughter
(Fire) Fire fire meet me at the gates of laughter
(Fire) Fire fire meet me at the gates of laughter
At the gates of laughter

Oh, and now I am not a stand-still
thinking about tomorrow
and those two weeks that followed

But you're not gonna' let me hide (you're not gonna' let
me hide)
you, you're not gonna' let me forget (you're not gonna'
let me)
are you
and that's what I want
when that's all that I can do

Woh

(Fire) Oh, Fire fire meet me at the gates of laughter,
come meet me there.
(Fire) Fire fire meet me at the gates of laughter, come
meet me there.
(Fire) Fire fire meet me at the gates of laughter, come
meet me there.
Oh meet me there

A thousand days roll by
Come fore it

come fore it again
