Oh there's a whisper in the wind something's going on  
among the leaves  
Cant put my finger on but its calling out my name  
there's no mistakin' what this day has to say  
It whispers in my ear and says  
Why don't you come out , I'm waiting on you (x2)  
Come out , I'm waiting on you  
'Cause the Time is now (x2)

Music .....

I tend face up , look at the dancing clouds  
I've got no rush to anywhere  
I'll stand right here and take this day  
Make my mark on the small mend  
Play all the games that this day has to offer  
I whisper in your ear and say  
Why don't you come out , I'm waiting on you (x2)  
Come out , I'm waiting won't you come out  
I'm waiting on you  
'Cause the Time is now (x4)

Music

(echo)The time is now (x5)
