I can't find my soul
I think I gave it to you again
I'm going crazy
Mind off and on
Heart just keeps pounding
Harder and harder
And I cannot stop it

Where did you go?
Where are you now?
I'm losing control
Now I'm better off dead

I'm drowning in a river
Drowning in a river
Drowning in a river
Drowning in a river over you
I'm drowning in a river
Drowning in a river
I'm drowning in a river
I feel like I'm drowning over you

Over you

My brain is so empty
Body feels weightless
F*ck yeah I'm faithless
All cause of you
Mental capacity
Can't take no more
Floating away, I can't stop

Where did you go?
Where are you now?
I'm losing control
Now I'm better off dead

I'm drowning in a river
Drowning in a river
Drowning in a river
Drowning in a river over you

I'm drowning in a river
Drowning in a river
I'm drowning in a river
I feel like I'm drowning over you

Over you
Over you
