(feat. Lil' Keke)

[talking:]

Yeah, 50/50 huh Mob Boss of the Nawf  
I had to go to the South know I'm saying, reach out  
Pick up O.G. Keke, he holla'd back know I'm saying  
We gon tip down, you know I'm saying  
Dig these blues, ounce for ounce hey

[50/50 Twin:]

I'm the funky fresh cash stacker, foreign car ass actor  
Ben Frank bill packer, heater toting hater whacker  
Goodfellas movie watcher, apple seal trunk popper  
Crack a smile real proper, diamonds sit inside colossal  
Bad yella hammer puller, ain't no telling how I do her  
She a freak I'ma treat her like one, call my niggaz let  
them run through her  
Mob boss 50 fe', Southside Don O.G. Keke  
Steal his rhymes go sell em at school, all them hoes  
would cheer for me  
Then I decided to write my own, ever since then crawl  
some'ing on chrome  
36 zone when I would get gone, drop them grams cut  
the microwave on  
Lock up slow hell naw, true yola gon come back fast  
Your shit ain't mirror folds, if Mr. Davis didn't give you  
the glass  
Fuck fame money matter, squash the chatter I'm acting  
badder  
Donadale blueberry dro, got 50 Twin higher than a  
ladder  
Better yet giraffe pussy, I don't hang out with no wussy  
When it comes to the blow I move it slow, like salt and  
pepper I push it

[Lil' Keke:]

I pull out drop top, sunny day rolling hard  
I'm in the candy coated coupe, with a yellow broad  
Southside Young Don, I'm a ghost writer  
I'm in the trap getting paid, like and all-nighter  
I'm in the school zone, tipping slow riding glass  
Let up the trunk drop the bumper, and hit the gas

I'm known for showing out, acting bad hitting blocks  
I'm on them rims flipping backwards, they won't stop  
H-Town on the map, do you hear a G  
It's 50/50 and Young Don, is you feeling me  
I chase bread, on the highway and interstate  
I'm trying to sell about a million, that's plenty weight  
Down in Texas, we swang on them elbows  
And keep them shoppers and them boppers, on they  
tip-toes  
I'm getting paid off these shows, and spitting flows  
And when I'm on the Boulevard, I be tipping 4's
