(feat. Lil O)

[talking:]

Yeah, Big Ballin' Texas stand up  
My nigga 50/50 Twin, done went and got a real nigga  
for this one  
I don't need no introduction

[Lil' O:]

When you see the red Lac, when you see the 84's  
When you see the pop trunk, when you see the neon  
glow  
When you see the piece and chain, looking like yellow  
snow  
Lemonhead in the watch, call lemon glow  
When you see a young nigga spitting off, let him flow  
Game face on, like I'm still selling blow  
Who else could it be, but that boy Lil' O  
Fat Rat Wit Da Cheeze, 89 double O  
That's Braeswood block, grab your glock  
Let that bitch, go buck-buck-ba  
If you in a truck, or in your drop  
Turn this shit up, let it knock  
Me and 50/50 Twin, you know that means we fin to win  
Grinding for them Benjamins, real niggaz go tell your  
friends  
Let them know the real is back, tell em that the trill is  
back  
Nigga how you feel bout that, bitch we pop the seals  
and Lacs  
Texas boys Texas toys, Screw banging Texas noise  
Big thick Texas broads, giving niggaz Texas joy whoa

[talking:]

Hey, hey, hey, 50/50

[50/50 Twin:]

Lil' O and 50, you know what this is  
Leak out the real, whole world gon to feel  
Sip a lil' lean, take a puff of the kill  
On no steal, swimming in mills  
You don't got tell me to

The ice on my neck blue, I'm already chill  
Mean mug, keep a gangsta grill  
Kay Slay now go run city if your friends is trill  
Me I wreck, I rip I tip  
On 4's do's go up, on that whip  
Stay with a grip, can't afford to slip  
Straight shoot to Jamaica, watch me jump ship  
R.I.P. to Pill, real niggaz stay still  
Roll up on them swangs, as I swang off a cliff  
A mob boss, I don't really like rims  
When it come to these hoes, my hoes are pimps  
I'm gorgeous George, I'm charge in charge  
My confidence, too high for these fucks  
Toss Moet cups, or Ferosh and such  
Guarding these, wear invisble cuts  
Half of these niggaz out here, dumb kluts  
From North to the South, real niggaz stack bucks  
Half of these niggaz, out here dumb kluts  
Lil' O real nigga, say keep in touch hey
