"Careless Whisper"

Time can never mend, the careless whisper of a good
friend
Through the heart and mind, ignorance is kind
There's no comfort in the truth
Pain is the heart you'll find

I'm never gonna dance again,
Guilty feet I've got no rhythm
Thought it's easy to pretend,
I know you're not a fool
Should've known better than to cheat a friend,
And waste the chance that I've been given
No I'm never gonna dance again,
The way I danced with you

I feel so unsure, as I take your hand and lead you to the
dance floor
As the music dies, something in your eyes
Calls to mind the silver screen
And all its sad good-byes

Tonight the music seems so loud
I wish that we could lose this crowd
Maybe it's better this way
We hurt each other with the things we wanna say
We could've been so good together
We could've lived this dance last forever
But no ones gonna dance with me
Please stay
