#### Verse 1

Girl tonight is the night,  
Im gonna lay you down,  
and make you sweat out your hair/  
This love is passed overdue,  
So im giving into you, Bae, Baby/  
See what I'm given ain't no mystery,  
We'll be in the bed making history, Yeah/  
Come let me lay your body down,  
Its time that we start the first round/

If you ready, like im ready, well lets start the game,  
Im gone break you off, break you off, break you off,
