Last night in your window sittin
I saw you
Oh enough, I know the serious fortune
Does adore you

Won't you come back home tonight?
Can't you see everything's going to be all right?

Oh enough, don't say you've said goodbye now
Don't say you've said goodbye now
Oh don't say you've said goodby

Your suit of chrome it once
Shined so bright
She told me you were
Out of sight
The serious fortune
She waits for you tonight

Oh, don't say you've said goodbye now
Don't say you've said goodbye now
Enough, don't say you've said goodbye

Oh, don't say you've said goodbye now
Don't say you've said goodbye now
Oh don't say you've said goodbye

Ceremony

originally performed by Joy Division

This is why ...
Heard it all a different story
All the time the wheels are turning
Turn again, turn towards this time
All she asks, the strength to hold me
... the same old story
Love will travel oh so quickly
Travel fast, turn towards this time

I ... them all, no mercy shown

Heaven knows it's got to be this time
What she heard, these things she said
Time she cried and failed to wake this time

I break them down, no mercy shown
Heaven knows it's got to be this time
Avenues all lined with trees
Picture me and then you start watching
Avenues all lined with trees
Picture me and then you start watching
Avenues all lined with trees
Picture me and then you start watching

Forever
Forever watch ...
Forever
For never letting me know
