Last night in your window sittin
I saw you
Oh enough, I know the serious fortune
Does adore you

Won't you come back home tonight?
Can't you see everything's going to be all right?

Oh enough, don't say you've said goodbye now
Don't say you've said goodbye now
Oh don't say you've said goodbye

Your suit of chrome it once
Shined so bright
She told me you were
Out of sight
The serious fortune
She waits for you tonight

Oh, don't say you've said goodbye now
Don't say you've said goodbye now
Enough, don't say you've said goodbye

Oh, don't say you've said goodbye now
Don't say you've said goodbye now
Oh don't say you've said goodbye
