The mission has failed and now your back is against
the wall
Their treason has left you with nowhere left to hide
Get out of there
No second chance
Can't you see you're all betrayed
Don't look back
Don't turn around
There is no time to be afraid

They fooled you and you should know they're on a
loosing war
They made you a scapegoat now you have lost the
fight
Get out of there
No second chance
Can't you see you're all betrayed
Don't look back
Don't turn around
Haven't you been told there are no
Heroes

Standing at the front line always in control
Heroes
You will all be left behind

The picture inside your head has left an ugly scar
Black nightmares seems endless like some eternal war
Get out of there
No second chance
Can't you see you're all betrayed
Don't look back
Don't turn around
Haven't you been told there are no
Heroes
Standing at the front line always in control
Heroes
You will all be left behind
Heroes
Standing at the front line always in control
You will all be left behind
