### CHORUS

Could this be the place where we belong?

### VERSE

Theres a place where we can grow and be what we  
want to be  
Until you calm the storm the storm that lies between  
you and me  
When the city calls your name all lies give way to  
honesty  
Make no illusions and youâ€™ll end up bound in  
revelry

### PRE

And every beginning has an ending, or so they say  
With every footstep we get closer to the final page,  
yeah eee yay

### VERSE

Lets beat this path together, in the strength of our bond  
The oceans tide and the moonlight they carry us on  
and on  
Trouble and pride think they know us, itâ€™s time to  
prove them wrong  
Weâ€™ll be burning in the atmosphere, like a late  
summer sun

### PRE

And every beginning has an ending, or so they say  
With every footstep we get closer to the final page,  
yeah eee yay

### BRIDGE

You and I are in this together  
Every day I try to make things better  
Itâ€™s something deep inside  
And I know it wont be long  
If we donâ€™t look back then we wont be wrong

### VERSE

And in the end, the journeys a precious stone

Like a diamonds perfection, itâ€™s a place to call our  
home  
We couldnâ€™t see, that weâ€™ve always had this  
power  
In these walls theres an energy, to turn them into  
towers

CHORUS

Could this be the place where we belong?
