Sitting in the Austin Airport
Waiting for my flight
You walk in front of me
With your new love by your side
You say hello and hug me
I'm about to lose control
I thought our love was over
Til old feelings start to flow
(chorus)
Suddenly your voice
Is like a knife cutting apart
Through layers of denial
Time has wrapped around my heart
It's like a wall of emotion suddenly broke loose(ooh
ooh)(ooh ooh)
And suddenly I realized (Suddenly)
I'm not over you

The loving way she looks at you
Fills me with regret
The sound of your sweet voice
It's hard to catch my breath
I accidentally touch your hand
And I fight to hold back my tears
You tell me you got married
Those words echo in my ears

(Repeat Chorus)

(Bridge)

The last thing I expected
Was to hear you call my name
The last thing I expected was to feel this way again

Suddenly your voice
Is like a knife cutting apart
Through layers of denial
Time has wrapped around my heart
It's like a wall of emotion suddenly broke loose(ooh
ooh)(ooh ooh)
And suddenly I realized (suddenly)
I'm not over you

Suddenly Iâ€™ ve realized (suddenly)
Iâ€™ ve realized Iâ€™ m not over you
