It was a cold day when
Johnny he tried his luck
They said watch out for yourself
You don't give a fuck
So he took that hit
And threw away his entire life
Now everyone will stand around
And watch him die

He can't see he can't speak
I don't care if im killin me
He don't care what's out there
They don't see what happens to him
He can't see he can't speak
He can't speak
I don't care if im killin me
They don't care what's out there
Slow chain of mistakes till he's gone,
Its killin him

He don't care, what's out there
What he don't see wont hurt him
In his stare
Life thrown away,

Life filled with pain,
Slow chain of mistakes,
Now he's dyin
He can't see he can't speak,
What he don't see wont hurt him to save me
Life thrown away,
Life filled with pain slow chain of mistakes,
Now he's dyin

Now they sit and remember the days
When johnny used to wander
Through their classrooms and hallways
They say oh god what a shame
Its so sad
When human life is just wasted away

Now everyone will sit

And remember the days,
When johnny used to wonder
Through their hallways
They sit and say my god
What ever happened to him
I remember pickin on him when i was a kid
