YEAH!

As a civilized human being,
We should able to see the both sides
Besides the feeling of being "on" baby,
Have spotlights done their tricks to you?

And in this world where we have everything we ever
wanted,
You bitch about the fucking sales.
Don't you think it is just a little bit of shortsighted?
Just fucking lame?

If you're really,
Doing this for
Money and the fame
Prepare yourself
For the massive
Trouble and the pain!

PAIN! PAIN! PAIN! PAIN! Pain.

Of course it's nice to appreciated
To be thanked for all the effort you've made
With the things you love, things that makes this worth
For what it takes.

And in this country where we don't have wars or starve
to death
You bitch about the fucking sales.
And you will be remembered what you've done or what
you've said
Just fucking lame!

If you're really,
Doing this for
Money and the fame
Prepare yourself
For the massive
Trouble and the pain!

Ja tÄssÄ mualimassa, jossa sulla on jo kaikki
SinÄ haluat vaan lissee! x4
