Verse 1:

Baby, I got a feeling of intoxication (intoxication)
Compelling, every single touch a hot temptation
Baby, you take away all my senses far and wide
I can't resist the stunner of extreme desire

Closer, darling closer, put your fingers gently on my
skin and swim down
To the hah, hah, just come closer, loosen up my
buttons, take this off

Refrain:

You make my body going hot baby
Hot now baby tonight
My body's heating up baby
Tons of ice can't cool me down
80, 000 degrees, the temperature's exploding at the
top
I'm hot baby
When I'm with you

Verse 2:

Sexy, everything on you is so amazing
Your hair, your skin, your touch - turn me on, damn
they're fascinating
Baby, I love the way how you do me slowly
Grab my shirt and help me to get rid of it

Closer, darling closer, put your fingers gently on my
skin and swim down
To the hah, hah, just come closer, loosen up my
buttons, take this off

1x Refrain

Bridge:

All of a sudden time is standing still
I'm totally under a charm
I wonder if it's real
Hey ey... I wonder if it's real
Hey ey... I wonder if it's real

Refrain:

So hot

Hot now baby tonight

Heating up

Tons of ice can't cool me down

80, 000 degrees, the temperature's exploding at the
top

And I'm hot baby

When I'm with you

When I'm with you - you - you - you
