I got the magic stick
I know if I can hit once, I can hit twice
I hit the baddest chicks
Shorty don't believe me, then come with me tonight
And I'll show you magic, magic
(What? What?)
I got the magic stick

I'm a freak to the core
Get a dose once, you gon' want some more
My tongue touch ya, girl, ya toes bound to curl
This exclusive shit, I don't share with the world

I have you up early in the mornin', moanin'
Back shot, proper or low, can't stop us
Been a fiend for this since Rakim made hits
Get the position down pat, then it's time to switch

I'll rock the boat, I'll work the middle
I skeet it up, straight beat it up
And I ain't in the hood with my toast out loc'n
I'm in the telly, workin' up a sweat, strokin'

Tonight's the night, you can fall in love
You can call your mama right now, tell her you met a
thug
I pop a lot of shit 'cause I can back it up
My left stroke's the death stroke

I got the magic clit
I know if I get licked once, I get licked twice
I am the baddest chick
Shorty, you don't believe me, then come with me
tonight
And I'll show you magic, magic
(What? What?)
I got the magic clit

Lil' Kim not a whore
But I sex a nigga so good, he gotta tell his boys
When it come to sex, don't test my skills
'Cause my head game have you head over heels

Give a nigga the chills, have him pay my bills
Buy matchin' Lambo's with the same color wheels
And I ain't out shoppin', spendin' dudes' money
notes
I'm in the crib givin' niggaz deep throat

Tonight, Lil' Kim gon' have you in the zone
Girls, call ya crib, I'm answerin' the phone
Guys wanna wife me and give me the ring
I'll do it anywhere, anyhow, I'm down for anything

Couple of humps, give a nigga goosebumps
This junk in my trunk ain't made for chumps
When Lil' Kim's around, you don't need to lie
It's the drugs, baby, I'm makin' ya high

I got the magic stick
I know if I can hit once, I can hit twice
I am the baddest chick
Shorty you don't believe me, then come with me tonight
And I'll show you magic, what? What? Magic
I got the magic clit

Now put your face in it
I know you sprung off in your tongue, I know you tastin'
it
Sex ain't a race but I have a thug nigga breakin'
records
And the time is one minute, six seconds

Magic stick, I got the magic bop
Have that ass trickin' after one back shot
The gifts, the ice, I like that a lot
The minks, the leathers, the CL drop

I got the magic stick
I know if I can hit once, I can hit twice
I hit the baddest chicks
Shorty don't believe me, then come with me tonight
And I'll show you magic, magic
(What? What?)
I got the magic stick

I got the magic clit
I know if I get licked once, I get licked twice
I am the baddest chick
Shorty, you don't believe me, then come with me
tonight
And I'll show you magic, magic
(What? What?)

I got the magic clit
