(Intro)

Oh uh huh i see tell me okay okay
uh huh i see tell me okay okay
what what what what's it gon' be what what what
whatcha gon' do
what what what what's it gon' be what what what
whatcha gon' do
what what what what's it gon' be what what what
whatcha gon' do
what what what what's it gon' be what what what
whatcha gon' do

(Chorus)

I'm trying to tell you, tell you, tell you, tell you, tell you
how i feel are you listening babe
tell me, tell me, tell me, tell me, tell me if it's real don't
get it twisted babe

(Verse 1)

Girl finish what you started don't leave me
brokenhearted what you trying to do to me
i just can't believe they way you schemin' you
disregard my feelings and you throw them all away
no matter what you say no matter what you do i done
got hip to you
now i don't understand i thought i was your man now
if you don't care, i don't care, if you don't care, i don't
care tell me

(Chorus)

I'm trying to tell you, tell you, tell you, tell you, tell you
how i feel are you listening babe
tell me, tell me, tell me, tell me, tell me if it's real don't
get it twisted babe

(Verse 2)

What's with the misbehaving what happened to my lady
whatcha ya trying to do shady shady girl
aint nobody stuck on you i'm going back to what i'm
used, used to be a player
aint down to play no games save it for rainy days just

let them wash away
i just can't understand thought i was your man tell me

(Chorus)

I'm trying to tell you, tell you, tell you, tell you, tell you
how i feel are you listening babe
tell me, tell me, tell me, tell me, tell me if it's real don't
get it twisted babe
I'm trying to tell you, tell you, tell you, tell you, tell you
how i feel are you listening babe
tell me, tell me, tell me, tell me, tell me if it's real don't
get it twisted babe

(Outro)

what what what what's it gon' be what what what
whatcha gon' do
what what what what's it gon' be what what what
whatcha gon' do
what what what what's it gon' be what what what
whatcha gon' do
what what what what's it gon' be what what what
whatcha gon' do
