Until I die thell never take us alive i promise i will
always fight my love intill i die i can see through your
bloodshot eyes like a vampire we roam the city at night
but theres nothing to find theres nothing to find but
thell never take us alive someone call a excercist
somone call a priest someone call a doctor please
please please your too pritty for scars my love
Sex mony and drugs are my life just stay alive hel find
us soon and they took and broke it and they took the
wine and drunk it and then we ran far far away we ran
far far away we are the children of the night we are the
children of the night tomarrow the sun will come and
burn so bright x2 forgive us please please forgive our
lies
