If you wanna have a good time  
Feeling alright yeah  
Do it up havin' a whole lot of western bling

I've been waiting all day long  
Just to hear the DJ play my favorite song  
I've been working cause times are tough  
Wanna leave this town go out and strip my stir  
I really wanna go out and play  
Ain't gonna stop till it's the break of day  
I wanna shake it all up tonight  
I wanna do it right

[Chorus]  
With a little Western bling  
Cause I wanna shake my thing  
I'm gonna have fun, be loud and get down till the sun  
comes up  
With a little Western bling  
Cause I like shiny things  
If you wanna have a good time, feeling alright yeah  
Do it up havin' a whole lot of western bling

Are you looking to have some fun,  
If you do things right you just might be the one  
I am keeping my eyes on you  
Come and show me all the things that you can do  
I saw you when you came through the door  
We're gonna party till we can't no more  
We're gonna shake it all up tonight  
We're gonna do it right

[Chorus]  
With a little Western bling  
Cause I wanna shake my thing  
I'm gonna have fun, be loud and get down till the sun  
comes up  
With a little Western bling  
Cause I like shiny things  
If you wanna have a good time, feeling alright yeah  
Do it up havin' a whole lot of western bling

[repeat]
