Song By Lucky Ali

Ek pal mein hai zindagi , ek pal mein nahi
Behti behti jaati hai , ye rukti hi nahin
Ek pal mein hai zindagi , ek pal mein nahin
Behti behti jaati hai , ye rukti hi nahin
Duniya lagti hai mujhe , mausam jaise haseen
Apne pyar ka silsila, chhoo ke rahoonga kabhi
Teri har adaa mein ek kahaani hai
Thodi unkahi suni sunaani hai
Uljha hai ye dil teri hi yaadon mein
Khayaalon mein khoye
Ye khwab mein aur baton mein tum hi tum rahe
Tanha tanha raat din kaise hum jiye
Armaan is dil ke na jaane hai phir bhi kitne
Mujhe neend nahin aati kisi ki chahat mein chahat mein
Sagar ban jaaye siyaae to kam hai
Adhoori daastan reh jaye yehi gum hai
Maine har tarah se tumko chaha hai
Nibhaya hai dilse,,...
