Song By Lucky Ali

Jabse mili tumse meri pehli pehli nazar
Ruke na kadam badke mere ye to hai besabar
Nazron mein tum ho, tum hi to ho ab nazaaron mein
Kho na jaaon main kahi ab to hai bas itna sa darr
Jabse mili tumse meri pehli pehli nazar
Ruke na kadam badke mere ye to hai besabar
Nazron mein tum ho, tum hi to ho ab nazaaron mein
Kho na jaaon main kahi ab to hai bas itna sa darr
Kuch suno kuch kaho , dil ye chahe mera
Darti meri dhadkanen jaane kya hoga is pyar ka
Kuch suno kuch kaho , dil ye chahe mera
Darti meri dhadkanen jaane kya hoga is pyar ka
Laaye zindagi mein tum meri pehli pehli bahaar
Dard jaga dhadkan mein naya hai kyon ye pehli baar
Chaand sitaaren aaye falak se tere aanchal mein
Saanjh savere dil rehta hai teri chahat mein
Kuch suno kuch kaho , dil ye chahe mera
Darti meri dhadkanen jaane kya hoga is pyar ka,
