jaane bahaara jaane tamanna mehka diya aashiyaa - 2  
aankho mein jo sapne the mere tumne rang diya  
tumpe he aakar rukti hain sab meri khushiya  
teri khushi mein hi basti hain meri yeh duniya  
yu haste gaate muskurate gujre hain jo pal  
aaye kal bhi laut kar  
arey chodo kyo kal ka soche  
kal ki baatein kal  
aaj jee le jhoomkar  
jaane bahaara jaane tamanna mehka diya aashiyaa

ho ho ...  
ho ho ...  
o ho ho..  
kismat ko meri tumne  
mohabbat se kiya roshan  
roshan hain tere dam se  
mera mann yeh jeevan  
jeevan ke imtihaan mein  
sehra mein gulsita mein saaya banke rahungi o piya  
jaane bahaara jaane tamanna mehka diya aashiyaa  
aankho mein jo sapne the mere tumne rang diya

ek tohfa jara yu do  
tum jaisi surat ho  
murat ho magar jiski  
tum jaisi surat ho  
chanda ya chandni ho  
sagar ho ya nadi ho  
hongii apni hi woh nishaniya  
jaane bahaara jaane tamanna mehka diya aashiyaa  
aankho mein jo sapne the mere tumne rang diya  
yu haste gaate muskurate gujre hain jo pal  
aaye kal bhi laut kar  
arey chodo kyo kal ka soche  
kal ki baatein kal  
aaj jee le jhoomkar  
jaane bahaara jaane tamanna mehka diya aashiyaa
