Please send in the clowns
And fireworks all around
Open up your heart
And go from gray to blue
Like sunny ocean skies
That's something you could do

No bitterness today
Can you believe it
I'm happy to make you smile
No bitterness today
No argues, no mistakes
Not this time

Rise and shine, oh my
I'm so glad I dropped by
I'll show you what it's like
And what it means to me
These rainbows in the sky
Are all that you should see

No bitterness today
Can you believe it
I'm happy to make you smile
No bitterness today
No argues, no mistakes
Not this time

Always leave a light on
No matter what it takes
I'll make you feel much better
Won't let it go
To waste

No bitterness today
Can you believe it
I'm happy to make you smile
No bitterness today
No argues, no mistakes
Not this time

No bitterness today
Can you believe it
I'm happy to make you smile
No bitterness today
No argues, no mistakes
Not this time
