People say it was a coincidence  
and maybe, maybe they're right  
but there's something that I can't deny  
I've never felt this in all my life

There's a sparkle in your eyes  
I feel magic by your side  
but I can't believeing  
because I'm only dreaming

I'm gonna let you fly away  
now I know that you'll never be mine  
I'm gonna let your runaway  
take with you the pieces of my heart

With you  
the pieces of my heart  
with you

Let me hold you one last time  
and let me tell you you're the only one  
real love is what we had  
and it will be there for the rest of my life

There's a sparkle in your eyes  
I feel magic by your side  
but I can't believeing  
because I'm only dreaming

I'm gonna let you fly away  
now I know that you'll never be mine  
I'm gonna let your runaway  
take with you the pieces of my heart

With you  
the pieces of my heart  
with you
