Everybody's waiting for the drums to drop
Everybody's waiting for the drums to drop
Everybody's waiting for the drums to drop
And when these motherfuckers drop
Everybody jump up

Everybody's waiting for the drums to drop
Everybody's waiting for the drums to drop
Everybody's waiting for the drums to drop
And when these motherfuckers drop
Everybody jump up

It's how we gonna do it now
It's how we gonna do it now
It's how we gonna do it now
It's how we gonna do it now

Everybody's waiting for the drums to drop
Everybody's waiting for the drums to drop
Everybody's waiting for the drums to drop
And when these motherfuckers drop
Everybody jump up

Everybody's waiting for the drums, the drums
Everybody's waiting for the drums, the drums
Everybody's waiting for the drums, the drums
Everybody's waiting for the drums, the drums
Everybody's waiting for the drums, the drums
Everybody's waiting for the drums, the drums
Everybody's waiting for the drums, the drums
Everybody's waiting for the drums, the drums
Everybody, everybody, everybody, everybody
Everybody, everybody, everybody, everybody

It's how we gonna do it now
It's how we gonna do it now
It's how we gonna do it now
It's how we gonna do it now
It's how we gonna do it now
It's how we gonna do it now
