I knew something was wrong
when a little pretty white girl ran
into a black man's arms.

Dead giveaway, dead giveaway!

My neighbor got big testicles
cause we see this dude every day.

We eat ribs with this dude,
but we didn't have a clue
that that girl was in that house.
She said: please help me get out!

Dead giveaway, dead giveaway!

So I opened the door,
we can't get in that way
a body can't fit through the door,
only your hand.

So we kick-kicked the bottom
and she comes out, and she says:
it's some more girls up in that house,
call 911 and they caught him
at McDonald's.

I knew something was wrong
when a little pretty white girl ran
into a black man's arms.

Dead giveaway...

This topical remix is a new musical genre, let us call it Songify.
With all respect to the victims.
