Girl 1:

We know who you are

Girl 2:

Look, its Patrick

Girl 3:

Come on talk us through it

Girl 2:

He's changed

Girl 1 and 3:

Did you spread your word of God?

Oh, Patrick. Patrick, how did you do it?

Patrick:

Wasn't a big deal

Trying to keep it real

What else can I say?

Pastor Skip (spoken):

Come on, Patrick

Try

Patrick:

Mom had this ideal

It's our duty to heal

I guess that's that

Pastor Skip (spoken):

Patrick, don't be shy!

Patrick:

Its a great big world out there

If you go outside

Pastor Skip (spoken):

That's it, son!

Patrick:

Its a big, big world out there
Get on and ride!

Life is
screwy!
You do what you do
to grab on
to a
life buoy

Find your faith and
and make it true

Ensemble:
We know who you are
We know who you are

Patrick:
Get supplies for the clinic
Bandages in Triaminic
No room to be a cynic
shaking my point of view

Make it true
(lord make it true)
Make it true
(lord make it true
lord make it true)

I learned some stuff
worked hard and soon enough
when the going got rough
I made it through

Life is
screwy
You do what you do
to grab on
to a
life buoy

Find your faith and-

Boy 1:
See any apes or tigers?

Patrick:
Not in the village

Girl 4:
Were there cannibals in the farm?

Patrick:
There were mostly farmers

Girl 5:
Did the kanga eat her baby?

Patrick:
That's Australia!

Boy 2:
Do they have toilets in the Amazon?

Ensemble:
Were there gorillas in the mist?

Girl 5:
Did the natives play drums and sing?

Ensemble:
Did you see the color purple?
And hunt with the lion king?

Patrick:
NO!

We were digging a well
so they'd have clean water
And I got to be friends
with our neighbor's daughter
who had fled civil war
in a neighboring nation
and were refugees now
from the refugee station

Boys:
Make it true

Girls:
Oh I love his big, big faith

Boys:
Make it true

Girls:
Oh I love his big, big faith

Patrick:
Then one day Dad said "son,
its time to come back.
Say your goodbyes and pack."

And well, now I'm home

Its a great big world out there
When you go outside
Such a big, big world out there
Get on and ride

Ensemble:
Life is
screwy
You do what you do
to grab on
to a
life buoy

Find you faith and-

Life is
screwy
You do what you do
to grab on
to a
life buoy

Find your faith and-

Patrick:
-and make it true!

Ensemble:
We know who you are
We know who you are

Find you faith and-

Patrick:
-and make it true!
