We're running out, Asthmatic and breathless  
I'm a loaded clip and I'm not what I used to be.  
I let it out.

I'm walking out, on all situations with a shotgun shell  
and the barrell on you and me  
We're running away, but running with consequences.

We're holding on and we've done this for too long,  
Keep focused and the strength will come along.

I'm a sucker for weakness, I've been boarded up and  
it's not what I used to be.  
I let it out.

I'm walking out, on all situations with a shotgun shell  
and the barrell on you and me  
We're running away, but running with consequences.  
We're holding on and we've done this for too long,  
Keep focused and the strength will come along.
