I'll be your hummingbird
I will fly across the world
And get you things that you don't need
'Cos your a fucken drama queen
And I'll be your noble steed
'Cos you can't get enough of me
And never ask me how I feel
Always asking me to leave
Da-do
This the way it goes
Wo o wo oh
It's a mans world I know
Wo o wo oh
Don't take what you don't need
Wo o wo oh
Don't take what you don't need, from me
'Cos I can tell you been looking at me
Your crystal ball so desperately
I can tell you're up to no good, up to no good
I come and sit by you, a pick up line a drink or two
I can tell you're up to no good, up to no good
I am your conscience clear
I can't get you out of here
It's a mess you made yourself
And I can't fucken second guess da da do
This the way it goes
Wo o wo oh
It's a mans world I know
Wo o wo oh
Don't take what you don't need
Wo o wo oh
Don't take what you don't need, from me
'Cos I can tell you been looking at me
Your crystal ball so desperately
I can tell you're up to no good, up to no good
I come and sit by you, a pick up line a drink or two
I can tell you're up to no good, up to no good, up to no
good, up to no
Good
I can tell you're up to no good, up to no good
And I can tell you

You, you, you
And I can tell you, you, you
And I can tell you, you, you
And I can tell you
This the way it goes
Wo o wo oh
It's a mans world I know
Wo o o oh
Don't take what you don't need
Wo o o oh
Don't take what you don't need, from me
'Cos I can tell you been looking at me
Your crystal ball so desperately
I can tell you're up to no good, up to no good
I come and sit by you, a pick up line a drink or two
I can tell you're up to no good, up to no good, up to no
good, up to no
Good
I can tell you're up to no good, up to no good
And I can tell you
