

## 53 Days "Whole Inside"

Visit "[Whole Inside](#)" on MotoLyrics.com

I saw you yesterday and I felt Like I should run  
Cause these days I'm better off to turn my back and be  
gone  
We build it up when we realize something's gone wrong  
Build it up when the real thing took us so long  
Build it up then it drift and throw it away  
Won't you tell me will we feel satisfied ever feel whole  
inside, ever feel Whole inside?

I've been there but I don't believe that anyone has felt  
this so I think your better off to know that you have  
been there  
We build it up when we realize something's gone wrong  
Build it up when the real thing took us so long  
Build it up then it drift and throw it away  
Won't you tell me will we feel satisfied ever feel whole  
inside, ever feel Whole inside?
